BUSINESS EXPERIENCE

2014 - 2016

ROOTS, Toronto, Canada

\$250M iconic Canadian fashion and lifestyle brand, 2,000 employees

Global Sourcing Coordinator

- Saved \$3m in costs by reformulating sourcing strategy for incoming Private Equity ownership: Conducted analysis for shifting \$18m production to new country and created presentation for sourcing director
- Eliminated 600 hours of meeting time per year for senior management: built an interactive dashboard for company president, led a cross-functional team of 3, and established quarterly process for buying team of 10
- Managed relationships between a network of 100+ suppliers and 40 product team members, reduced production delays by 7%
- Improved on-time delivery by 10% for \$40m worth of product: Lead 80+ production meetings per year, created platform to analyze and synthesize quantitative and qualitative supplier performance data
- Improved critical path adherence by 40%: Coached teams and overhauled production calendar into an interactive and scalable format

2012 - 2014

Associate Designer

- Managed product development for 150+ womenswear styles per year with \$13m in sales revenue
- Implemented 3 major efficiency initiatives and negotiated with management to create a new role for me in global sourcing department
- Reduced production monitoring by 2000 hours per year for a design team of 15: designed automated tracking system, oversaw development with IT team
- Saved an average of 3 weeks in textile development time by increasing artwork accuracy: created template system and coached graphics team on use

2006 - 2012

MIKHAILOUDRAKOVSKI.COM, Toronto, Canada

Founder/designer

- Won 1st prize: Most Promising Designer award at Art of Fashion competition in 2009, selected as finalist out of 200 applicants to present at event with 5,000 attendees.
- Awarded runway slots at 4 professional level fashion shows, the only student out of 60 in my cohort to have been awarded any slots while studying

2011 - 2012

FREELANCE, Toronto, Canada

Design Consultant

- Secured a \$10,000 Toronto Fashion Week sponsorship from a solar cell company while illustrating concepts for legendary designer Pat McDonagh
